Sacramento County residents can bring household hazardous waste (HHW) to the North Area Recovery Station free of charge.

**Hours:** Tuesdays, Thursdays, Fridays and Saturdays  
8:30 a.m. to 4:00 p.m.  
Closed Thanksgiving, Christmas and New Year's Day

**Procedures for packaging and transporting HHW to facility.**

1. Keep products in their original containers. Do not mix products. Make sure lids are tightly sealed. Label materials that are not in their original containers.
2. Place leaking containers in a larger, plastic container with a tight-fitting lid.
3. Secure products upright in cardboard box so that they do not tip over in transport.
4. Transport products in the back of a pickup truck or in a car trunk. Ensure adequate ventilation if transported in car passenger compartment.
5. Keep flammables out of direct sunlight and away from sources of heat, spark, flame, or ignition. Do not smoke.

**Acceptable & Unacceptable Materials**

Materials delivered to the drop-off area by residents cannot exceed a total liquid volume of 15-gallons or a total dry weight of 125-pounds. CA Code 25218-25218.12

Acceptable Materials	Unacceptable Materials
<ul style="list-style-type: none"> <li>• Acids</li> <li>• Brake/transmission fluid and antifreeze</li> <li>• Household cleaners</li> <li>• Pool chemicals and poisons</li> <li>• Gasoline and other flammables</li> <li>• Pesticides and herbicides</li> <li>• Paint (oil-based or latex) and paint thinners</li> <li>• Solvents</li> <li>• Household batteries</li> <li>• Car batteries (2 maximum)</li> <li>• Small aerosol cans</li> <li>• Home generated needles &amp; syringes (in sealed hard plastic or metal containers)</li> <li>• Unused medications</li> <li>• Mercury thermometers and switches</li> <li>• Used motor oil and filters</li> <li>• Fluorescent tubes</li> <li>• Propane tanks (barbecue style, limit 2, maximum 7 gallons)</li> <li>• Cooking Oil</li> <li>• Other types of household hazardous waste are also accepted (15-gallon or 125 lbs. maximum each)</li> </ul>	<ul style="list-style-type: none"> <li>• Radioactive materials</li> <li>• Railroad ties or treated wood</li> <li>• Explosives (flares are acceptable)</li> <li>• Medical waste</li> <li>• Asbestos</li> <li>• Ammunition</li> <li>• Compressed industrial gas</li> <li>• PCBs</li> </ul>
