

C. Mixed C&D Debris Sorting and Recycling Activity – weight tickets from these facilities must be stamped as “SORTED”

Date	Hauler	Certified Sorting Facility	Tons	Recovery % *	Diversion
			Subtotal	Subtotal	

*Must be a County-Certified C&D debris sorting facility.
 See <http://www.swa.saccounty.net/Pages/CDDebrisSortingFacilities.aspx> for the County-Certified Facility list and for current recovery rates.

If you hired a County Franchised Waste Hauler to collect all waste from your jobsite a diversion report from that Franchisee may be submitted in lieu of this Waste Log form.

For County Use

Tons disposed		Diversion credit by sorting	
Tons subjected to sorting		Diversion credit source separated	
Tons Recycled source separated			
Total Generated		Total Recycling	
Total Generated divided by Total Recycling, expressed as percent
